

NAME	DESCRIPTION	WEBSITE
Engineering, Mathematics or Computer Science Grants & Scholarships		
Science, Mathematics & Research for Transformation (SMART) Scholarship for Service Program	The SMART Scholarship for Service Program is open only to citizens of the United States. Persons who hold permanent resident status are not eligible. Proof of citizenship will be required. Students must be at least 18 years of age to be eligible. Applicants for undergraduate awards must be already enrolled in a U.S. college or university. Applicants must also be pursuing a degree in or closely related to a Science, Technology, Engineering & Mathematics (STEM) disciplines. Awardees must be eligible to receive and hold a security clearance. For a detailed list of eligible degree programs, details about the security clearance process & an application, please visit the program website.	www.asee.org/smart
Society of American Military Engineers (SAME) College Scholarship Program	The Sacramento Post of the Society of American Military Engineers (SAME) awards scholarships annually to high school and college students who are studying engineering or related technical disciplines. Scholarships will vary from \$1,000 to \$4,000 for students in high school, junior college, and college students that are pursuing a degree in any engineering field or related technical sciences (including architecture, mathematics, physics, chemistry, geology, and earth sciences). Please note that biology, microbiology, and related natural sciences are no longer considered to be engineering-related majors. Applications open in January and are due by mid- March.	www.samesacramento.org/committees_scholarship.shtml
Concrete Masonry Association of California and Nevada Scholarships	Scholarships for undergraduate and graduate level engineering and architectural students who study concrete masonry as an architectural and structural building material. Please visit website for details.	www.cmacn.org/annual-scholarships.htm
Nevada Water Resources Scholarships	Scholarships will be awarded to a student attending a Nevada university or community college. Qualified students must be pursuing a degree in the field of water resources. For more information, please visit the website. Application deadline is December 1.	http://www.nvwra.org/scholarships/
Google Scholarships (Multiple)	Google offers multiple scholarships for students who are pursuing a degree in computer science or technology. Please visit the website for details on the specific scholarships.	http://www.google.com/edu/students/the-generation-google-scholarship/

ASCO Numatics Industrial Automation Engineering College Scholarship	Merit-based and will be awarded on the candidate's potential for leadership and for making a significant contribution to the engineering, instrumentation, systems, and automation professions, particularly as they relate to the application of fluid control and fluid power technologies. Scholarship recipients may be eligible for an ASCO Numatics internship.	www.asconumatics.com/LiteratureRequest/ASCO-Numatics-Scholarship-learnmore.aspx
The Authority for Total Cost Management International Competitive Scholarship	Granted to students who are pursuing full-time study in engineering, computer sciences, business, construction management, building construction, information technology, quantity surveying, or other related field. The award amounts vary from \$2,000 to \$8,000 and the specific amount will be based on individual achievements. The program accepts applications between January 1 and February 14 annually.	aacei.org/awards/scholarships/
Technology Degree for Women – Dr. Anita Borg	Dr. Anita Borg devoted her adult life to revolutionizing the way we think about technology and dismantling barriers that keep women and minorities from entering computing and technology fields. Her combination of technical expertise and fearless vision continues to inspire and motivate countless women to become active participants and leaders in creating technology. In her honor, Google is proud to honor Anita's memory and support women in technology with the Google Anita Borg Memorial Scholarship. Google hopes to encourage women to excel in computing and technology and become active role models and leaders in the field.	http://www.google.com/anitaborg/
American Society of Mechanical Engineers	ASME Auxiliary FIRST Clarke Scholarships are awarded to seniors in high school who are active on a FIRST FTC or FIRST FRC team. A member of the ASME must nominate applicants. The program awards ten \$5,000 scholarships per year and is intended for a recipient's first year of study in mechanical engineering or mechanical engineering technology. Students must apply by March 15.	asme.org
The Ralph K. Hillquist Honorary SAE	Scholarship is offered to individuals with a declared major in mechanical engineering or related discipline. Qualifications include 3.0 GPA and enrollment on a full-time basis at an ABET-accredited institution of higher learning. One \$1,000 scholarship is awarded on a bi-annually basis at the SAE Noise and Vibration Conference. Individuals can apply by visiting the SAE International website.	students.sae.org
The Association of State Dam Safety Officials Undergraduate Scholarship	Offered to undergraduate students in their senior year in an accredited civil engineering program or related field of study. Students must show a genuine interest in leading a career in hydrology, hydraulics, or other closely associated field related to dam design and construction.	damsafety.org

	Applicants must have a cumulative GPA of at least a 2.5 and submit a typed essay.	
The American Society of Civil Engineers (ACEC)	Y.C. Yang Civil Engineering Scholarship is awarded to juniors or seniors in a civil engineering program at an ABET-accredited institution. Applicants must be members of the ASCE Society and include a personal statement of why the award should be offered to the applicant, and a comprehensive financial plan, and at least two letters of recommendation. The deadline is February 9.	asce.org
The American Welding Society Arsham Amirikian Engineering Scholarship	Offered to students planning on pursuing a career in applying welding in the civil and structural engineering field. Students must be pursuing at least a bachelor's degree in civil engineering or welding related field. Qualifications include maintenance of at least a 3.0 GPA, proof of financial need, and currently attending or planning on attending an accredited engineering school. The program offers one \$2,500 award every year. The deadline is February 15.	aws.org
The Institute of Electrical and Electronics Engineers Charles LeGeyt Fortescue Graduate Scholarship	Awarded to individuals pursuing a master's degree in electrical engineering. Applicants must have earned a bachelor's degree from an accredited engineering school. The scholarship is only awarded for the first year of full-time graduate study. The deadline for the scholarship is November 15.	ieee.org/about/awards/fortescue.html
The Dr. Jon L. Boyes, Vice Admiral, USN (Ret.) Memorial Scholarship	Offered by the Armed Forces Communications and Electronics Association. It is awarded to students in at least their second year of an electrical engineering program. The program is competitive and applicants must be active members of a Navy ROTC unit, have a GPA of 3.0 or higher, have demonstrated commitment and academic excellence, and showed potential to service as office in the U.S. Navy. The program awards one \$3,000 scholarship every year. The deadline for this scholarship is February 15.	afcea.org
The American Institute of Aeronautics and Astronautics Foundation Undergraduate Scholarship	Students pursuing education programs related to aerospace engineering and science. Applicants must be AIAA members, enrolled full-time, and completed a minimum of one academic term on a full-time basis. The minimum GPA is 3.3. Students can apply for the scholarship from September through January for the following academic year.	https://www.aiaa.org
EAA Scholarship: Youth Education the Spirit of Aviation Scholarships	Multiple Scholarships Available	http://www.eaa.org/en/ea/aviation-education-and-resources/ea-youth-education/ea-aviation-scholarships/ea-college-scholarships

The Vertical Flight Foundation Scholarship	Awarded to undergraduate and graduate students who intend to pursue an engineering career in vertical flight. The scholarship is based on merit and the value ranges from \$1,000 to \$5,000. Applicants must be full-time students at an accredited engineering school, submit a resume, provide a narrative, and include at least one letter of recommendation. The application deadline is February 1.	vtol.org
The Stokes Educational Scholarship Program is offered by the National Security Agency to high school seniors planning to major in computer science or computer/electrical engineering.	Recipients are required to attend college on a full-time basis and work during the summer at NSA for 12 weeks in related areas. Students must maintain at least a 3.0 GPA. After completion of the their program, students must work at NSA for at least one and a half times the length of their education program. The program provides full tuition and fees, textbook reimbursement, housing and travel expenses, year-round salary, health and life insurance, retirement, and continued employment after graduation. The application deadline is November 15.	nsa.gov
The Computer Science and Computer Engineering Academic Scholarship	Offered by Education-Portal.com to students pursuing a degree in a computer science or computer engineering discipline. Applicants must be enrolled in an associate degree program or higher from an accredited college or university and have at least 30 semester hours to finish. Recipients must consent to providing a digital photograph to Education-Portal. The scholarship offers one \$1,000 award every year. The deadline is April 1.	education-portal.com
The American Nuclear Society Undergraduate Scholarship	Available to students who have finished at least one year in nuclear engineering, nuclear science, or other closely related field. The scholarship program offers a maximum of four scholarships every year for individuals who have completed one year of study and 21 scholarships for students who have completed two or more years. The deadline to apply for this scholarship is February 1.	new.ans.org/honors/scholarships/ .
The Edward S. Roth Manufacturing Engineering Scholarship	Offered to individuals who are graduating from high school or current undergraduate or graduate students enrolled full-time in a bachelor's or master's degree in manufacturing for an institution accredited by the Accreditation Board for Engineering and Technology, Inc. Qualifications include a minimum GPA of 3.0 and preference will be given to individuals who demonstrate financial need, are of minority classification, and those participating in a co-op program. The scholarship program is sponsored by the SME Education Foundation.	http://www.smeef.org/scholarships/
The James Schalk Memorial Association of Conservation Engineers Scholarship	Granted to individuals to promote the ongoing study and education necessary for conservation of the planet's natural and renewable resources. The scholarship is available to junior or senior students	http://www.conservationengineers.org/awards.html

	enrolled in accredited program in engineering, ecology, agriculture, or natural science. Students must be enrolled full-time and submit a letter of recommendation and a technical essay on a conservation topic. The award amount is \$1,000.	
The Marine Technology Society offers the Charles H. Bussman Undergraduate Scholarship	Individuals who are pursuing or planning to pursue degree programs in marine engineering, marine science, or marine technology. All high school and college students who are interested in remotely operated vehicles are also encouraged to apply. The award amount is \$2,500 each year. The application deadline is April 16.	https://www.mtsociety.org/education/scholarships.aspx
AES Engineers Scholarship	Students must submit an essay of between 500 and 1000 words in answer to the following question: When you look back on your life in 30 years, what would it take for you to consider your life successful? What people, things and accomplishments do you need? Students are not required to be taking Engineering courses to be eligible.	www.aesengineers.com/scholarships.htm
NSPE Engineering Scholarships (Multiple)	Applicants must be students currently enrolled in good standing in a ABET accredited engineering program. Please visit the website for details on specific scholarships.	www.nspe.org/Students/Scholarships/index.html
Association of State Dam Safety Officials (ASDSO) Scholarship	Applicants must be U.S. citizens and enrolled full-time at the senior level in an accredited civil engineering program, or in a related field as determined by ASDSO, and must demonstrate an interest in pursuing a career in hydraulics, hydrology or geotechnical disciplines or in another discipline related to the design, construction and operation of dams. Annual deadline in March. Please visit website for more information.	www.damsafety.org/community/students/?p=61c91bdd-f19b-42e0-aac2-d62d424ab2b9
The Society of Women Engineers	Offers various scholarships to support women who are interested in pursuing undergraduate and graduate programs in engineering, engineering technology, and computer science. An example of a SWE scholarship is the B.J. Harrod Scholarship that is available to women pursuing various types of engineering disciplines. Applicants must have a GPA of 3.5 or higher and enrolled in an engineering program accredited.	https://scholarships.swe.org/applications/login.asp
The National Society of Black Engineers	Strives to increase the amount of excellent black engineers to successfully make a difference. It offers a wide range of scholarships to high school seniors, undergraduate and graduate students, and technical professional members. All recipients must be active paid members of the society. To apply for scholarships individuals can login into their NSBE accounts to complete the applications. An example of a scholarship offered by NSBE is the Fulfilling the Legacy Scholarship and Delphi Corporation contributes to the scholarship fund. The program	nsbe.org/Programs/Scholarships.aspx

	awards 10 scholarships per year at \$1,000. The application deadline is December 2.	
UNLV Construction Management Students	Two \$1,500 scholarships to upper-class CM students at UNLV. The Southern Nevada CMAA Chapter.	http://snvchapter.cmaanet.org/files/chapters/SNV%20Chapter/2014%20CMAA%20Scholarship%20App.pdf
The Woods Hole Undergraduate Summer Fellowship	A research project is at the heart of the Summer Student Fellowship program. All Fellows are expected to work on a project selected in collaboration with their sponsor(s) that will provide meaningful results in one summer's work. Project topics span the vast spectrum of research in ocean sciences and engineering conducted in WHOI's science departments and the Woods Hole Field Station of the U. S. Geological Survey (USGS).	http://www.whoi.edu/main/summer-student-fellowship
Medical Related		
Pediatric Dentist of Tomorrow Scholarship	The scholarship will award \$500 every year to a student striving to achieve their dream of entering the dental field. To apply, submit a 300-1,000 word essay along with your contact information to jamie@smilereef.com . The essay contest is open only to those legal residents of the 50 United States and the District of Columbia who are 18 years of age or older at the time of submission and who are currently enrolled in an accredited college or university or who will be enrolled by March 1 and aspires to a career in the dental field. Current employees, officers, directors and agents of Sponsor and its related companies and members of their immediate families (spouse, parents, siblings and children) and persons residing at the same address are not eligible. Void where prohibited.	www.smilereef.com/pediatric-dentist-of-tomorrow-scholarship/
NurseCorps Scholarship	The NURSE Corps Scholarship Program is a selective program of the U.S. Government that helps alleviate the critical shortage of nurses currently experienced by certain types of health care facilities located in Health Professional Shortage Areas (HPSAs). Upon graduation, NURSE Corps Scholarship recipients work at these facilities for at least 2 years, earning the same competitive salary and benefits as any new hire.	http://www.hrsa.gov/loanscholarships/scholarships/Nursing/index.html
Waechter Medical-Legal Scholarship	Annual scholarships available: \$2,000: One \$1,000 scholarship awarded to a student of some kind of legal college, university or program; AND one \$1,000 scholarship awarded to a student of some kind of medical college, university or program.	http://www.birthlaw.com/34.html
Army Nurse Corps Association	The purpose of the Army Nurse Corps Association Scholarship Program	http://e-anca.org/Scholarships

	is to award scholarships to U.S. citizen students attending accredited baccalaureate or graduate nursing or anesthesia nursing programs.	
Foundation of the National Student Nurses Association, Inc.	The NSNA Foundation awards over \$345,000 annually in the general scholarship and promise of nursing programs. Scholarships range from \$1,000 to \$5,000. U.S. citizens and students with an Alien Registration number currently enrolled in state-approved schools of nursing or pre-nursing in associate degree, baccalaureate, diploma, generic doctorate, and generic master's programs. Funds are not available for graduate study unless it is for a first degree in nursing.	http://www.nsna.org/FoundationScholarships.aspx
Minority Medical Student Award Program (MMSAP)	The Minority Medical Student Award Program (MMSAP) is an 8- to 12-week research experience for medical students from the United States and Canada. Students collaborate with an ASH member who serves as their research mentor. At the end of the research experience, students present their findings at the Promoting Minorities in Hematology Presentations at the ASH annual meeting. In addition, students who participate in this program may apply to the program for a second summer research experience. Applicants must be enrolled in MD, DO, or MD/PhD medical school programs. The application process runs through early March but a mentor must be requested prior to early January.	www.hematology.org/Awards/MMSAP/2624.aspx
Nursing Education Scholarship	This \$1,000 scholarship will be awarded to one recipient annually. This scholarship is open to any person 17 years of age or older who is currently accepted or attending full time a medicine related program at an accredited institution of learning. Minimum 3.0 GPA. Applicant shall submit an essay prior to January 10 of at least 500 words but no more than 1000 words that explain what they hope to accomplish in the medical field and how they will impact the lives of others with the education and knowledge they acquire while in medical training. Essay will also include the student's opinion of why they feel they should be selected to receive the scholarship funds.	www.travelnursing.org/nursing-scholarship.php
Pisacano Leadership Foundation Scholarship	Students who have made a commitment to the field of Family Medicine and who will enter their fourth years of medical school in the fall may apply. Please visit website for more details.	www.fpleaders.org
MedicareSupplementalInsurance.com's Therapy Professionals Scholarship	This \$1,000 scholarship will be awarded to one recipient annually. Applicants must apply prior to December 15 and be a person 17 years of age or older who demonstrates interest in physical, massage, recreational, or occupational therapy or psychology professions and has	www.medicaresupplementalinsurance.com/scholarship.html

	a 3.0 GPA at an accredited institution of learning within the United States.	
F. Edward Herbert Armed Forces Health Professions Scholarship Program	The HPSP is available for students pursuing advanced degrees in medicine, dentistry, veterinary science, psychiatric nursing, optometry or psychology. To qualify for the Health Professions Scholarship Program, you must: Be a U.S. citizen with a baccalaureate degree from an accredited school Be enrolled in (or have a letter or acceptance from) an accredited graduate program in the U.S. or Puerto Rico (varies by specialty) Maintain full-time student status during the length of the program. Qualify as a commissioned officer in the United States Army Reserve.	www.goarmy.com/amedd/education/hpsp.html
Honey Lake Hospice Scholarship	Each year we sponsor a deserving student by awarding a monetary scholarship. This student must be able to describe his or her interest in a field related to Hospice and Palliative Care. Applications due by March 15! BASIS FOR AWARD: The applicant must have successfully completed his/her first semester of college with a minimum GPA of 2.5 and will be continuing her/his education in the field of nursing, medicine or related health care at an accredited 2 year or 4 year College or University. The applicant should have an interest in gerontology, oncology and/or hospice and palliative care and be able to express that interest in an essay.	http://honeylakehospice.org/annual-scholarship.html
General Scholarships		
Frank M. & Gertrude R. Doyle Foundation	Applications open December 1 1) You are a graduating senior or past graduate (G.E.D. is acceptable) of the Washoe County School District in Northern Nevada. 2) You are a graduate or student of the Washoe Adult High School in Northern Nevada. 3) You are a graduating senior or past graduate (G.E.D. is acceptable) of the Huntington Beach Union High School District in Southern California. 4) You are a graduate or student of the Huntington Beach Adult High School in the Huntington Beach Union High School District in Southern California 5) You are a graduate/current or previous student of any of the following Community Colleges in Southern California: Coastline, Cypress, Fullerton, Golden West, Irvine Valley, Orange Coast, Saddleback, Santa Ana or Santiago Canyon.	www.doyle.curvine.com/scholarships/applications/
Las Vegas Southwest Rotary Club Academic Scholarship	Graduate Senior from an accredited high school in Clark County, Nevada, with a minimum weighted or non-weighted 3.5 GPA. Intends to	Submit to: Las Vegas Southwest Rotary Club Scholarship Committee, P.O. Box 70126 University Station, Las

	attend a public college or university in Nevada, i.e., UNLV, UNR, Nevada State College or other public college in Nevada. Renewable for up to 8 semesters of college if maintaining a 3.0 GPA and completes a minimum of 12 semester hours per semester. Must demonstrate a family or student financial need. Please send the completed scholarship packet, including the 750 word essay – “Why Las Vegas Southwest Rotary should award me this scholarship.”	Vegas, NV 89170-0126.
Southern Nevada Chapter – Public Education Foundation	Southern Nevada high school graduates with a minimum 3.5 cumulative GPA or College/University students in Southern Nevada with a minimum 3.0 cumulative GPA who plan to pursue a career in Architecture, Engineering, Construction Management or Public Administration may apply for this scholarship. Student must attend an accredited post-secondary college or university. Preference will be given to southern Nevada high school and college students. Four scholarships in the amount of \$3,000 each will be offered.	https://thepef.academicworks.com/opportunities/219
Silver State Schools Credit Union	Offers annual scholarships to our members who are high school seniors. Applications can be found on our website at the beginning of each new year.	http://www.silverstatecu.com/life-planning/saving-for-college/looking-for-scholarships.aspx#sthash.BOT7cuga.dpuf
Ronald McDonald House Charities (RHMC) US Scholarship Program	Graduating High School Seniors from northern Nevada who are legal US residents should apply for one of 37 renewable scholarships awarded each year! The deadline is January 21 and award notices are sent in May and June. Awards are renewable for up to four years of undergraduate study.	www.rmhc-reno.org/html/scholarships.html
Soroptimist International of Truckee Meadows Scholarships	Please refer to the website for specifics regarding the multiple scholarship applications available annually for both women in Northern Nevada currently attending Northern Nevada institutions of Higher Education and graduating seniors from Washoe County high schools. Please see the website for details of individual opportunities. Applications available from October through March annually with submission deadlines in mid-December through mid-March. There are multiple awards annually which range from \$500 to \$10,000.	http://sitmnv.org/scholarships/
T.E.A.C.H. Early Childhood Nevada	Apply for a T.E.A.C.H. Early Childhood Nevada scholarship today and get 80% of costs covered toward your bachelor degree in Human Development and Family Studies! Please peruse our website for more program details, eligibility requirements, and contact information.	www.nvteach.org
UNCF – Minority Education Organization Scholarships	UNCF is the nation's largest and most effective minority education organization.	https://scholarships.uncf.org/

Greater Nevada Credit Union Scholarship	Graduating high school seniors who are a Greater Nevada member or the child of a Greater Nevada member. Selection criteria will be based primarily on financial need. Additional criteria will include academic performance, school and community involvement and written recommendations from school and community leaders. Selected recipients are required to be enrolled or attend school on a full time basis. Applications open in January and close at the end of March.	https://www.gncu.org/Global-Nav/About-Us/Community-Involvement/Community-Relations
Otto Huth Scholarship	This fund is available to children in custody of the Nevada Division of Child and Family Services who meet the following criteria: the child must have been in our custody in a foster or group home and must be graduating from high school or receiving the GED the year of application. Deadline for application is April 15th of each year.	http://dcfs.nv.gov/uploadedFiles/dcfsnv.gov/content/Programs/CWS/IL/2015-OTTO%20Flyer.pdf
Former Foster Youth	The ETV Program is a national program for youth who qualify and have aged out of the foster care system. ETV offers financial assistance to eligible current and former foster youth to attend an accredited college, university, vocational or technical college. The ETV program helps students in their own efforts to secure financial aid to enroll in college.	http://www.childrenscabinet.org/family-youth/youth-programs/foster-youth-support/
Northern Nevada's Children's Cancer Foundation's Inspire Scholarship	This scholarship is available to those who have been diagnosed with a form of cancer, are a current resident of Nevada, accepted into an accredited institution 2013-2014 school year, between the ages of 18-25, and display and aspiring attitude. Annual application deadline varies each spring.	https://nvchildrenscancer.org/family-resources/#InspireScholarship
Raymond H. Berner Memorial Scholarship	Applicant must have graduated from a Northern Nevada high school. Applicant must have a minimum college GPA of 2.75 (high school minimum is 3.0). Applicant must include an application, a 1-2 page statement (see website for topics), list of activities (see website), transcripts, and one letter of recommendation. Apply each March.	www.bernerscholarship.org
Thurgood Marshall College Fund	Have a minimum cumulative GPA of 3.0 on a 4.0 scale. Must apply for financial aid using the Free Application for Federal Student Aid. Attend one of the 47 TMCF Member Schools . Be a U.S. citizen or legal permanent resident with a valid permanent resident card or passport stamped I-551; Demonstrate leadership qualities and service experience; Be recommended by a Faculty or Staff member of your current school. For Students of Color.	http://tmcf.org/our-scholarships/current-scholarships
Community Foundation of Western Nevada Scholarships (Multiple)	The Community Foundation of Western Nevada offers multiple scholarships for a wide variety of students. For details on specific	http://nevadafund.org/receive/scholarship-information/

	scholarships, please visit the website	
Reno Area Chapter 99s Women Pilots (Private Certificate) Scholarship	Applicants must currently reside within 75 nm of Reno, have lived in the area for at least a year, hold a valid student pilot certificate or pilot's license and current medical, and have not been a recipient of any Reno Area 99s scholarship for the past three years; and have completed first solo flight.	www.renohighsierra99s.org/
Nevada Women's Fund (NWF) Scholarships	NWF scholarships are designated for northern Nevada women pursuing a course of study at a northern Nevada educational institution. If an eligible applicant wishes to pursue a course of study that is not offered at a northern Nevada (or Nevada) institution, the NWF will consider allocating a scholarship for pursuit of study at an out of region or out of state institution. The NWF allocations committee reserves the right to make these decisions on a case by case basis. Scholarships may be used for undergraduate, graduate studies or vocational study. Applications open in January and the application deadline is March 25th annually.	http://nevadawomensfund.org/nwf-scholarship/
American Indian Services	Applicants must be one-quarter Native American Blood Applicant must be an undergraduate student with no more than 150 credits with a minimum GPA of 2.25 For more information, please visit the website.	www.americanindianservices.org/students.html
American Business Women's Association (ABWA) - Stephen Bufton Memorial Educational Fund Scholarships	Eligible candidates are women who are citizens of the U.S. and who are seeking a baccalaureate degree from an accredited college or university. Each scholarship has a variety of additional criteria and the application deadline is May 15 annually. Awards range from \$5,000 to \$10,000.	www.sbmf.org
American Indian Education Foundation Scholarship	Applicant must be of Native American or Alaska Native descent Enrolled as a full-time student An ACT score of 14 or above is desirable Applicant must submit packet (see application for complete list). Applications due annually in April.	www.nrcprograms.org/site/PageServer?pagename=aief_progs_sf_scholarshipfund
Hispanic Scholarship Fund Scholarships (Multiple)	Applicants must be of Hispanic heritage. To qualify, you must: Be a community college or undergraduate student Be a U.S. citizen, legal permanent resident, or an eligible non-citizen Have plans to enroll FULL-TIME at a two or four year U.S. accredited institution in the U.S., Puerto Rico, U.S. Virgin Islands, or Guam in the upcoming academic year. Be pursuing first undergraduate degree.	www.hsf.net/en/scholarships/programs/
Government Finance Officers Association (Multiple annual scholarships)	Daniel B. Goldberg - \$11,000 scholarship open to full-time graduate students interested in pursuing a career in state and local government finance; Frank L Greathouse Government Accounting - \$6,000 each;	http://www.gfoa.org/about-gfoa/student-opportunities/scholarships-full-and-part-time-students

	Minorities in Government Accounting -\$6,000; Government Finance Professional Development Scholarship - \$6,000 each - open to part-time graduate students currently employed by a state or local government. Winners will be invited to the annual conference of GFOA May 18-21 - expenses paid. Deadline for application is February 21.	
AICPA Scholarships (Multiple Annual Scholarships)	The AICPA offers many scholarship opportunities for accounting students at varying points in their academic careers. Application deadline April 1. For more details, please visit the AICPA website.	www.aicpa.org/BecomeACPA/Scholarships/Pages/default.aspx
El Dorado County Local Scholarships	Scholarships are available to individuals who reside in El Dorado County (or resided in El Dorado County at the time of high school graduation) and are: 1) graduating high school seniors or college, university or graduate school students, and 2) Minimum cumulative GPA is 3.0. Various scholarships are advertised on the site and applications are due annually prior to May 1.	http://www.eldoradocounty.org/pdf/First5scholarship.pdf
The "Do-Over" Scholarship and 12 others	These scholarships, which range from \$1,000 to \$3,000, are open to all U.S. students 13 years of age or older who will attend an accredited institution of higher education. Scholarships will be awarded annually to students who best respond to each of the various topics. Application deadlines vary for each scholarship annually.	https://www.unigo.com/scholarships/our-scholarships#/fromscholarshipexperts
REACH Education Grant Program – KFC staff members – High School	The Foundation's REACH Educational Grant Program helps KFC restaurant hourly Team Members and Shift Supervisors pursue their educational dreams. These \$2,000 grants help Team Member recipients attend accredited four-year and two-year educational institutions, as well as trade/vocational schools. Winners are selected via a competitive application process and may reapply each year. We will begin accepting applications for the 2014 REACH Educational Grant on March 15, 2014.	http://www.kfc.com/foundation/
Soroptimist International Women's Opportunity Scholarship	Eligible applicants for these \$10,000 awards must be women who provide the primary financial support for their families, and who are enrolled in or have been accepted to a vocational/skills training program or an undergraduate degree program. Applicants must demonstrate financial need. Only residents of Soroptimist International of the Americas' 19 member countries and territories are eligible to apply. Applications are available through the Soroptimist website and must be submitted prior to December 1.	www.soroptimist.org/awards/apply.html
National Garden Clubs (NGC) Inc. Scholarship	One-year scholarship (\$3500) available to full-time juniors, seniors or graduate students, sophomores may submit an application for their junior year. Applicants must also be a U.S. citizen or permanent legal resident of the U.S. A minimum 3.25 GPA is required. Applicants must	www.gardenclub.org/scholarships/

	be planning a career related to gardening, landscape design, environmental issues, floral design or horticulture in one of the following majors: Agronomy, Agriculture Education, Floriculture, Horticulture, Landscape Design, Botany-Biology, Forestry, Wildlife Science, Plant Pathology/Science, Rural/Urban City Planning, Habitat or Forest/Systems Ecology, Environmental Concerns (Management: Environmental/Horticulture Resource/Environmental Behavior), Environmental Conservation (incl. Engineering, Law etc), and Land Management. General application forms must be submitted by March 1 each year.	
ISA Educational Foundations Scholarship	Recipients of awards are full-time college or university students in either a graduate, undergraduate, or 2 yr. degree program with at least an overall GPA of 2.5 on a 4.0 scale. Students should be enrolled in a program in automation and control or a closely related field. Application deadline is February 15.	https://www.isa.org/students/scholarships/
Jonathan O. Davis Scholarship	Applicants must be of graduate level and enrolled in an M.S or Ph.D. program with research experience in the geologic component or geologic techniques focused on the Great Basin and adjacent areas Applicants should include (1) a cover letter explaining how he/she qualifies for the award (2) a current resume (3) a two-page, single spaced description of the thesis/dissertation research, which also clearly documents the geological orientation and research significance; and (4) a letter of recommendation from the thesis/dissertation supervisor, which emphasizes the student's ability and potential as a Quarernary scientist.	http://www.dri.edu/education-and-outreach/student-programs#scholar
NPG Scholarship	High school seniors as well as currently-enrolled college undergraduates are invited to answer a population-related question, with their own experience and insight guiding their ideas for a solution. Winners receive a designated scholarship amount, paid towards undergraduate tuition at the accredited college or university they attend. For more information, please visit the website.	www.npg.org/scholarships.html
